Re: DDS IMC Training Guide

Dear County Director of Social Services:

The Division has updated the DDS Training Guide for the Income Maintenance Caseworker. DDS staff have been invaluable in completing this project. This guide provides information on how to conduct the interview when an individual applies for Medicaid for the Disabled and a disability determination is required.

The Division is not printing the Training Guide but is making it available on the DMA Internet website. The address is <http://www.dhhs.state.nc.us/dma/medtrain.htm>.

Form DMA-5009 (Social History Summary for the Disabled) has been updated in conjunction and is also available on the DMA Website. The address is <http://www.dhhs.state.nc.us/dma/forms.html>.

If you have any questions, please call your Medicaid Program Representative.

Sincerely,

Nina M. Yeager
